CITATION INDEX

YAYINLARI

BAŞKENT ÜNİVERSİTESİ

Başkent Üniversitesi'nin Dünya Bilimine 2011 Yılı Katkıları

2011 yılında da temel amaçlarımız olan, “eğitim ve öğretimde mükemmellik”, “araştırma ve yayında öncülük”, “toplumsal hizmeti varlık sebebi olarak görmek” Üniversitemizin kuruluşundan beri dengeli ve iddialı olarak gerçekleştirmeye çalışılmıştır. Ülkelerin bilim ve teknolojiadaki gelişmişliğini ölçmenin en önemli unsurlarından biri uluslararası bilimsel atf indeksleri olan SCI, SSCI, A&HCI'e giren yayın sayısıdır. Özellikle bu indekslerde yer alan makale sayıları ve bunların aldığı atıflar bilimsel üretim açısından son derece önem taşımaktadır. Aslında, “yayın” faaliyeti bir sonuç olarak, öğretim ve toplumsal hizmet hedeflerinin de gerçekleştirilmesine katkı yapan en önemli kalite ölçütüdür. Bu yönü ile ülkemizde de önem kazanmaya başlayan “üniversite akreditasyonsıralama” yöntemlerinde de yer almaya başlamıştır. Uluslararası sıralama sistemlerinden Leiden, Webometrics, Times THES ve URAP gibi uygulamaların tümünde yayın en önemli kalite ölçütü olma özelliğini korumaktadır. Başkent Üniversitesi akademisyenleri, kurucu Rektörümüz Prof. Dr. Mehmet Haberal'ın başlangıçtan itibaren ilke olarak ortaya koyduğu “kaliteyi her konuda olduğu gibi “yayın” konusunda da ön planda tutma” beklentisi ile davranmaktadır. Bu nedenle, indekslenen yayınlar özel olarak izlenmekte ve bir araya getirilerek paylaşılmaktadır.

Ülkemizdeki üniversiteler bilimsel çalışmalarını ve akademik performanslarını her yıl ölçerek göstermektedirler. Bu bağlamda üniversitemizin yayın sayıları ve araştırma düzeyini gösteren bu çalışma ayrıca “Web of Science” verileri kullanılarak üniversitemizin uluslararası indekslerde taranan yayınlarını ve öğretim üyesi başına düşen yayın sayılarını da kapsamlı olarak göstermektedir. Web of Science veri tabanında ağırlıklı olarak İngilizce yayınlanmış dergiler, bildiri kitapları, özgün araştırma makaleleri, tartışmalar, raporlar, düzeltmeler, editör yazıları, kronolojiler, bilimsel toplantı özleri ve kitap eleştirileri yer almakta ve sosyal bilimler, uygulamalı bilimler, sanat ve beşeri bilimler alanındaki konuları kapsamaktadır.

2012 yılı başı itibari ile üniversitemiz kaynaklı tam makale (401), meeting abstract (83), proceeding paper (23), letter (32), review (13), editorial material (13), book review (8), theater review (1) olmak üzere toplam 574 yayın yapılmıştır. Bunların indekslere dağılımı, Science Citation Index Expanded'da (SCI-exp) 518, Social Science Citation Index'te (SSCI) 40 ve Arts and Humanities Citation Index(AHCI)'te

13 yayın olmak üzere toplam 571 yayın bulunmaktadır. Bu yayınların dökümüne bakıldığında; SCI-expanded'da 376, SSCI'te 34, AHCI'de 3 olmak üzere toplam 413 tam makale bulunduğu görülmüştür. Ancak 12 makalenin hem SCI, hem de SSCI tarafından taranmış olması dikkate alınarak gerçek makale sayısı 401 olarak kabul edilmiştir. Bu durumda öğretim üyesi başına düşen full makale sayısı 0,73 olmaktadır. 23 proceeding paper doküman türü hem article hem de proceeding paper olarak görülüşünden 574 yayından 23 yayın çıkarılmakta ve net yayın sayısı 551 olmaktadır. 2010 yılı için bu sayı 578'dir ve toplam 27 makalelik azalma görülmektedir.

Başkent Üniversitesi'nin Tıp alanındaki SCI yayın öncülüğü son yıllarda Diş Hekimliği, Sağlık Bilimlerinin diğer alanlarındaki ve Mühendislik alanlarındaki gelişme ile sürdürülmüştür. 2011 yılındaki listede 2010'daki gibi Eğitim, Fen-Edebiyat, İktisadi ve İdari Bilimler Fakültelerinin gelişim trendi devam etmektedir. Yayın listesindeki makalelerde geçmiş yıllara göre üç önemli hususun sıralama sistemlerindeki yerimizi koruyabilmek bakımından geliştirilmesi gerekmektedir. Bunlardan ilki, yayınların yer aldığı dergilerin “etki faktörlerinin” göreceli olarak yükseltilmesidir. Özellikle son yıllarda “D” kategorisi olarak da nitelenen “etki faktörü belirsiz” çok az makale yer alması gerekmektedir. İkinci dikkat çekici uygulama, sadece fakülte içi anabilim dallarının enter disiplinler yayınlarının değil fakülteler arası ortak çalışmaların teşvik edilmesidir. Önümüzdeki yıllarda bu tip yayınların sayısının daha da artırılması önem kazanmaktadır. Üçüncü önemli faktör, indeksli dergilerin arasında Türkçe yayımlananların sayısının artması ve Üniversitemizden yazarların bu dergilerde yayınların bulunmasıdır.

Üniversitemizde kurucu Rektörümüzün belirlediği ilkeler doğrultusunda öğretim elemanlarımızın kendilerini geliştirmeleri için yurtiçi ve yurtdışı her tür bilimsel toplantıya katılmaları her yönden desteklenmektedir. Bizlere düşen “bilimi kendisinde toplayıp Dünya'ya dağıtma” sloganı ile yola çıkan Üniversitemizde yayın ölçütü ile ilgili olarak da geleneksel yerini korumak ve yükseltmektir.

Prof. Dr. Kenan ARAZ
Rektör
